Gas Networks Ireland (GNI) their staff and agents, accept no responsibility for any information contained in this document or any legal location on any mechanical designation of the gas distribution and transmission network. The information, any representations and warranties express or implied, are excluded to the maximum extent permitted by law. No liability shall be accepted for any loss or damage arising from the use of this document, either directly, indirectly, incidentally, punitive or consequential loss, including loss of profits, arising out of or in connection with the use of the information (including maps or mapping data).

NOTE: Dial 999 BEFORE YOU DIG. Phone: 1620 457 TET or email dig@gasnetworks.ie - The dual position of the gas electricity distribution and transmission network must be set out before any mechanical excavation takes place. If mechanical excavation is proposed, hard copy maps must be requested from GNI. Hard copy maps can be obtained by calling 1620 457 TET or via the website www.gni.ie. Maps may be copied or reproduced in accordance with the current edition of the relevant *Airspace Authority* publication.

Code of Practice For Avoiding Damage To Buried Infrastructure which is available from the Health and Safety Authority (www.hsa.ie) 29.9.9.99 or can be downloaded free of charge at www.hsa.ie.
