Irish Water intends to submit a planning application to An Bord Pleanála in the next week, for the proposed Arklow Wastewater Treatment Plant project (SID application). An EIAR accompanies the planning application. - Electronic copy of the public newspaper notice in electronically searchable format. This copy of the notice matches that published today in national and local newspapers
- Electronic copy of the site location map

We would be obliged if you could provide the required Confirmation Notice to us, as soon as possible. We are proposing to submit this application to An Bord Pleanála early next week.

Should you require any further information, please do not hesitate to contact the undersigned.

Kind regards

Clodagh
